READ.—

(i) Government Letter No. CI 7 EMO 64, dated 8th December 1964.

(ii) Letter No. 216–219 M/L 51 dated 3rd January 1967 from the Director of Mines and Geology, Bangalore.

PREAMBLE :—

In the Government letter dated 8th December 1964 read above a notice was issued to M/s Manickavelu (P) Ltd., under Rule 27 (5) of the Mineral Concession Rules, 1960 calling upon them to remedy within 60 (sixty) days the Breach of condition of mining leases committed by them by their failure to pay a sum of Rs. 68,923–31 (Rupees sixty eight thousand, nine hundred and twenty three and paise thirtyone only) being the mining revenue due from them upto 31st December 1963 in respect of their (4) Mining Leases to Hulikatte, Bhaktarahalli, Cheikonahalli and Nuggihalli. The lessees did not make any payment towards arrears of Mining revenue in spite of this notice issued to them on 8th December 1964. Since the liquidation proceedings of the Company were pending in the High Court of Mysore. It was felt necessary to obtain permission of the High Court, for determination of the Leases.

In letter dated 3rd January 1967 read at (ii) above, the Director of Mines and Geology reports that the High Court of Mysore has ordered the determination of the 4 (four) leases with effect from 1st January 1967 and to prefer a memo of calculations indicating the quantity of ore lying at the different Mining Lease blocks, before the official Liquidator, High Court of Mysore. The Director of Mines and Geology states that the claim of arrears preferred before the official Liquidator is Rs. 90,415–81 (Rupees ninety thousand four hundred and fifteen and paise eightyone only) upto end of 1965 and if the total value of the Ore amounting to Rs. 71,645 (Rupees seventyone thousand and six hundred and fortyfive only) is set off, the balance of amount would be Rs. 18,771 (Rupees eighteen thousand seven hundred and seventy one only) which will continue to be outstanding due by M/s Manickavelu (P) Ltd., and that the official Liquidator will have to take steps to pay the balance amount when the liquidation proceedings are finalised.

The Director of Mines and Geology further states that since the claim of arrears upto end of 1965 had already been preferred with the Official Liquidator, prorata dead rent on the Mining Leases for the year 1966 is not claimed.

In the circumstances the Director of Mines and Geology requests that the leases may be determined with effect from 1st January 1967..
